APPLICATION OF ARTIFICIAL INTELLIGENCE IN PARLIAMENTARY RESEARCH

5-Day Executive Hands-On Training Program Outline (Zero-Copy Desktop Ingestion)

Lead Technical Facilitator: Eng. Dr. Kadeghe Fue, PhD (Senior AI & Systems Consultant, AB Consult, COEBS, SUA)

Target Cohort: Parliamentary Researchers, Committee Clerks, Legislators/Politicians, Social & Political Scientists, Policy Analysts

1. Executive Program Summary & Pedagogical Philosophy

This executive training program equips non-programming parliamentary researchers and governance practitioners with modern, automated skills to ingest, interrogate, and synthesize authentic public documents using **Visual Studio Code** and role-grounded Artificial Intelligence assistants.

> **The Zero-Manual-Copy Mandate ("Drop the File, Ask the AI"):**
> Manual highlighting, copying, and pasting from scanned PDFs or Word files into editors is strictly prohibited. Trainees drop native Microsoft Word (`.docx`) and Adobe PDF (`.pdf`) files directly into workspace folders and direct the AI via file-grounded commands (`@filename`) to extract tables, compare statutory clauses, reconcile audit queries, and compile executive-ready PDF briefs.

2. Prerequisites & Participant Profile

- **Target Trainees:** Parliamentary researchers, standing committee clerks, elected legislators, social and political scientists, and policy analysts. **No prior programming, scripting, or computer science knowledge is required or assumed.**
- **Required General Competencies:** Basic computer literacy (file navigation, creating folders, opening applications) and professional familiarity with parliamentary proceedings, government bills, audit reports, and national policy documents.

3. Hardware, Operating System, and Software Requirements

Component	Specifications & Minimum Technical Thresholds
Operating System	Windows 10/11 (64-bit), macOS (v12.0 Monterey or later), or Ubuntu Linux 20.04+.
Hardware / Machine	Laptop with Core i5/i7 (or Apple M-series), 8 GB RAM (16 GB recommended), 10 GB free disk space.
Core Software	**Visual Studio Code** (Latest stable release; free download from `https://code.visualstudio.com`).
Mandatory Extensions	**(1) Markdown All in One**, **(2) Markdown PDF** (for 1-click PDF builds), **(3) AI Assistant** (GitHub Copilot / Continue.dev).
Browser & Utilities	Google Chrome, Microsoft Edge, or Mozilla Firefox; integrated PDF viewer.
Connectivity	Stable institutional or venue Wi-Fi access for extension initialization and AI indexing queries.

4. Required Participant Document Portfolio (Bring on USB / Local Disk)

Every participant **must arrive on Day 1** with their own live institutional dossier in digital format:

1. **1 Native Word Memo / Strategic Document (`.docx`):** Ministerial implementation plan, executive circular, or white paper.
2. **1 Principal / Parent Act (`.pdf`):** A gazetted Act of Parliament (e.g., Roads Act, Water Supply Act, Land Act).
3. **1 Draft Amendment Bill (`.docx` or `.pdf`):** A proposed amending bill containing revised clauses and statutory mandates.
4. **1 Controller and Auditor General (CAG) Audit Report (`.pdf`):** Annual or special audit report on public authorities/LGAs.
5. **1 Official Statistical Report (`.pdf`):** National Bureau of Statistics (NBS) census, agricultural survey, or economic abstract.
6. **1 Sector Strategic Plan or Policy White Paper (`.pdf`):** Strategic framework aligned with FYDP III or Vision 2025/2050.

5. Mandatory Preparatory Checklist (Before Day 1 Arrival)

- [ ] **Administrative Rights:** Ensure your laptop account has administrative privileges to install VS Code and extensions.
- [ ] **Software Pre-Installation:** Download and install the latest stable version of Visual Studio Code.
- [ ] **Document Staging:** Collect your 6 native files and place them in a folder on your Desktop named `Raw_Source_Docs`.
- [ ] **Power & Ergonomics:** Bring your laptop power adapter, an external mouse for split-pane ease, and a high-speed flash drive.
- [ ] **Institutional Clearance:** Ensure files brought for class exercises are public or declassified for training use.

6. Daily Program Schedule & Timetable Protocol

Time Window	Daily Session Description
08:30 – 10:00	**Morning Theory & Curricular Framing:** Analytical frameworks, statutory rules, and legislative oversight standards.
10:00 – 11:00	**HEALTH BREAK / REFRESHMENTS & NETWORKING TEA TIME**
11:00 – 14:00	**Mid-Day Ingestion & Guided AI Interrogation:** Querying native files directly in VS Code without copying text.
14:00 – 15:00	**EXECUTIVE LUNCH BREAK**
15:00 – 15:45	**Afternoon Practical Lab:** Assembling reports, fact-checking tables, and 1-click compiling to PDF before 16:00.
15:45 – 16:00	**Verification & Wrap-up:** Checklist sign-off with Eng. Dr. Fue, daily peer review, and preview of next day.
16:00	**Daily Adjournment**

7. 5-Day Curricular Matrix: Ingestion, Topics & Deliverables

Day	Curricular Topic	Ingested Document(s)	Practical Output (Compiled to PDF by 16:00)
Day 1	**Workspace Setup & Direct Native Ingestion**	Native Word Memo (`.docx`) Native Sector Report (`.pdf`)	**Deliverable 1: Ingestion Dossier & Baseline Brief** Configured VS Code desk, parsed text, and 1-click PDF export.
Day 2	**Topic 1: AI in Parliamentary Research Writing**	Native Parent Act (`.pdf`) Native Amendment Bill (`.docx`) Native CAG Audit Report (`.pdf`)	**Deliverable 2: Legislative Bill Scrutiny Brief** 4-column statutory matrix, CAG audit query mining, and 3 evidence-backed Parliamentary Questions (PQs).
Day 3	**Topic 2: Policy Analysis: Evidence Synthesis**	Native Statistical Bulletin (`.pdf`) Native Budget Performance (`.pdf`)	**Deliverable 3: 3-Page Sector Evidence Dossier** Tabular parsing, Dual-Pane fact-checking, and linking delivery metrics to FYDP III targets.
Day 4	**Topic 3: Policy Analysis: Methods and Options**	Native Policy White Paper (`.pdf`) Native Sector Strategy Plan (`.docx`)	**Deliverable 4: Strategic Policy Options Brief** 4-Pillar MCPA, 4-way institutional stakeholder simulation (Treasury, LGAs, Private, AMCOS), and Options Matrix.
Day 5	**Topic 4: Ethics, Integrity & Multi-PDF Synthesis**	Native 3-Document Corpus (`.pdf`): Budget + CAG Audit + NBS Survey	**Deliverables 5A, 5B, 5C: Tripartite Reports** (1) Executive Report (Speaker), (2) Policy Brief (MPs), (3) Scientific Report (Clerks/Archives) + Certificate.

8. Key Institutional Guidelines & Support Contacts

- **Data Privacy & Parliamentary Privilege:** Privileged committee evidence must be processed exclusively through certified offline or institutional models. All AI-assisted briefs must carry the standard AB Consult AI Methodology Disclosure.
- **Lead Technical Consultant: Eng. Dr. Kadeghe Fue, PhD** • Senior AI & Systems Consultant, AB Consult, College of Economics and Business Studies (COEBS), Sokoine University of Agriculture (SUA), Morogoro, Tanzania.
